Dual-Quad Manifold & Carb Kit #20264 with EnduraShine finish

## RPM DUAL-QUAD MANIFOLD AND CARB KITS

AVAILABLE WITH AN AS-CAST OR OUR ENDURASHINE® FINISH

A huge hit among street rodders, these Dual-Quad Kits offer the ultimate set-up for anyone who wants the look of dual-quad carbs. They include an Edelbrock RPM or RPM Air-Gap Dual-Quad intake manifold and two 500 cfm Thunder Series AVS carburetors calibrated specifically for dual-quad applications (one manual choke, one electric choke). To make the installation simple, these kits also include our high-tech progressive throttle linkage, Russell fuel line and high-quality Edelbrock intake gaskets. The manifold and Thunder Series carbs are available with a standard finish or with our bright EnduraShine chrome-like finish for long lasting show quality looks.
